✦ 15 YEARS OF LEGACY ✦

Join Hands With a Leader In Competitive Exams

JEE | NEET | CUET | OLYMPIADS

SCHOOL INTEGRATION PROGRAMME

A result-driven academic framework that seamlessly integrates competitive exam preparation with your school's curriculum — empowering students to excel beyond the classroom.

SABAL ACADEMY

EMPOWERING FUTURES SINCE 1993

DIRECTOR'S MESSAGE

Providing Quality Education Since 2010

Welcome to SABAL ACADEMY.

We hope this message reaches you at the right moment. We are writing to share a transformative opportunity that can elevate the academic outcomes of students in your school. SABAL ACADEMY is proud to offer its School Integration Programme — a proven, structured, and result-oriented framework designed for schools that aspire to give their students a competitive edge.

At SABAL ACADEMY, we have been at the forefront of high-quality, innovative education for over three decades. Our commitment to excellence has driven us to develop an integrated academic model that blends school curriculum delivery with rigorous competitive exam preparation — without disrupting the regular school schedule.

If you share our vision for educational excellence and wish to make a meaningful difference in your students' futures, we warmly invite you to partner with us. Together, we can build an environment where every student learns better, performs stronger, and grows with confidence.

Wishing you and your institution continued success.

Sincerely,
SABAL ACADEMY

WHY SABAL ACADEMY?

- A leading Indian education company with over 15 years of brand equity, delivering quality education from 9th to 12th — catering to every stage of a student's academic journey.
- Diversified programmes across 9th & 10th Foundation, 11th & 12th Enthusiast, Test-Prep Tutorial Services, and Higher Education — an integrated solution under one trusted brand.
- A nationwide network of company-operated branches, franchisee centres, school integrated programmes, technology-enabled learning platforms, and distance education solutions.
- A clear vision to become a global leader in education, driven by innovative teaching methodologies, student-first values, and a consistent commitment to measurable results.
